

# Scottish Association of Vehicle Enthusiasts

## MEMBERSHIP FORM

The S.A.V.E. was founded in 1970 and caters for owners and enthusiasts of vintage and classic vehicles of all kinds with two, four, or more wheels. Our members are typically 'hands-on' enthusiasts who like to get out and use their classics, but ownership of a classic or vintage vehicle is not a requirement of membership.

We hold a monthly meeting on the first week of most months at a venue in or around the Edinburgh area, normally a Saturday morning/lunchtime but sometimes in the evening. Details of club meetings and other events are given in the regular SAVE members newsletter.

Each year the SAVE club organizes the popular 'Wheels of Yesteryear' Run & Rally, which is held on a Sunday in early July. Other club events include trips to vehicle collections and places of motoring and engineering interest, and we also arrange visits to other Clubs from time to time. In the summer we also hold our club Barbecue, weather permitting, and in December / New Year a more formal event.

We welcome new members to SAVE, and hope to see you and your classic vehicles out on the roads and being enjoyed by all.
